

## RYAN FOR THE PUBLIC WORKS.

A Possible Appointment When Gilroy Becomes Mayor.

Efforts to Turn Down Republican Leader George Hillier.

The politicians around City Hall this morning had John S. Ryan, Tammany leader of the Twenty-ninth district, slated for the appointment of Commissioner of Public Works by Mayor-elect Gilroy. Mr. Ryan is now superintendent of the Bureau of Streets and Roads in Mr. Gilroy's Department. This advancement it is said, would be in line with Mr. Gilroy's proposed policy to secure efficiency and economy in the public service, by promoting competent employees.

Leader Ryan is one of those politicians who believe that electioneering should never come from election day to election day. Accordingly he is continually building up his organization to swell the Tammany majority in the district, which now is noted up nearly 8,000. Last night Leader Ryan called a mass-meeting of Democrats at the Twenty-fifth Street Tammany headquarters, Ninetieth Street and Third Avenue, and organized what will be known as the "Salem Club." The number of Tammany members was then and there increased by 500, who joined the new club.

Judge Stephen S. Blake presided temporarily. He appointed committees to draft by-laws and to secure a club-house. Among the members, at which the committee will report, will be held soon.

Postmaster After Leader Hillier. The Police Justice Jacob M. Patterson is in every effort to bring the distinction of being Republican leader in the next Assembly will necessarily come from outside the city of New York, the chief delegation from being Democratic.

Postmaster. Frank J. of Putnam; Israel T. Davis, of Orange; and George H. Bailey, of St. Lawrence, are mentioned for the honor.

Tammany's Big Presentation.

Justice Gray, on behalf of Tammany Hall, will this evening present to the Second Assembly District Democratic Organization, in the rooms of the Y. M. C. A., at 59 Madison Street, a handsome silk American flag, which Tammany Hall offered to the district, and the largest American flag in the city, which was presented to the district and the largest American flag in the city.

## KNOWN IN MAIDEN LANE.

Stories About Charles Ferry, Charged in Bridgeport with Theft.

Charles A. Ferry, who was arrested in Bridgeport, Conn., Thanksgiving Day, charged with stealing a suit of clothes, is quite well known in Maiden Lane, where at one time he was employed by Levi Dreyfus, dealer in fine-brace and optician's goods, after which Ferry started a jewelry store in Westport.

When arrested, a great number of pawns (diamonds, representing watches and jewelry, were found in Ferry's pawnshop, three of which represented three rings said to have been received on the Manhattan from 120, 001 and 120, 002, 53 Maiden Lane.

Mr. Wall said to an Evening World reporter today that he had been told by a diamond dealer that he had bought three rings from a pawnshop. After getting the rings, he reported promptly.

He then tried to get three Marquise rings, worth \$400, and when he failed, he left the pawnshop, a woman dressed handsomely, with him. Ferry offered to pay \$100 on account, but when he failed to do so, he was arrested. He was released after three days, which he paid, valued at \$175 in pawnshop.

## ANOTHER MAD DOG VICTIM.

### A Baltimore Policeman Joins the Pasture Institute Colony.

Second Day's Treatment of the Ten Virginia Patients.

Policeman Lemmon, of Baltimore, who was badly bitten by a mad dog several days ago, is expected at the Pasture Institute, in York street, today, to join the small colony of Virginians who are being inoculated against hydrophobia by Dr. G. H. Grier.

The Davilla, Va., ten patients were grouped in the parlor when an Evening World reporter called this morning. The patients looked serious, but the children were playing about the room, evidently none the worse for the four inoculations given them yesterday.

Dr. Grier would not allow the patients to be interviewed. He said they were in a slightly nervous condition and talking about their case would only aggravate their excitability.

He considered their cases very serious, and they had waited so long before having the treatment administered. One of the two children had died of rabies about two weeks ago and all the persons were bitten during last August and September.

The treatment will be continued for fifteen days, the lymph being injected in the side four times a day for the first five days, the quantity being gradually diminished toward the end of the treatment.

It is pointed out, however, that the patients have more than a skin prick and the after effects for a while hardly perceptible.

The ten are now in the hospital, and Dr. Grier expects to treat several of the remaining people who were bitten.

INDIANAPOLIS, Nov. 29.—Jeff Hawkins and Will Adams, two matrimonial runners, were placed on trial in Jeffersonville yesterday for approaching an eloping couple from Kentucky. Some months ago the competition between magistrates and their runners for eloping marriages almost led to bloodshed.

The runners, who were indicted for kidnapping, were placed on trial in Jeffersonville yesterday for approaching an eloping couple from Kentucky.

The business was carried on, until a few days ago, when nine couples were taken to the Louisville and ran all the eloping business to New Albany, which would be quite a long drive for the runners, and the magistrates in Jeffersonville, as not less than five hundred Kentucky couples got married there every year.
